Lavanya S

Hi, I'm Lavanya 👩‍💻

Aspiring Cybersecurity Engineer | B.Tech IT Student

About Me

Motivated student with foundational knowledge in programming and network security. Eager to apply academic skills and gain practical experience in a dynamic IT environment. Seeking internship opportunities to contribute and grow professionally.

Education

- **B.Tech in Information Technology**, St. Joseph's College of Engineering – CGPA: 8.65
- **HSC**, Sri Saradha Vidyalaya – 92%
- **SSLC**, Sri Saradha Vidyalaya – 91%

Skills

JavaCHTMLCSSMySQL

Soft Skills

LeadershipTeamworkCommunication

Projects

Soft Skills

LeadershipTeamworkCommunication

Projects

Bitcoin Price Prediction

Used ML models (ARIMA, LSTM, Prophet) for price forecasting.

NoteSnap

Fullstack notes app with CRUD using Node.js, HTML, CSS, JS.

FoodFeedback

Restaurant review app using Node.js backend and vanilla JS frontend.

Certificates

- Oracle Java Fundamentals
- Ethical Hacking Essentials (EC-Council)
- Python for Data Science (NPTEL)
- Cybersecurity (Cisco)
- DBMS (NPTEL)
- Python 3.4.3 Training
- MongoDB for Students

Experience

- **Cyber Security Intern** at e-Soft IT Solutions, Trichy – Threat analysis & network security
- **Cyber Security Intern** at Prodigyinfotech – Event monitoring, incident analysis
